ACCOMPLISHMENTS

I had the opportunity to participate in an international competition World Scholars Cup (WSC) and I was able to qualify all 3 rounds and secured various awards. The competition started with regional round in Lahore, where I competed with other national schools. I qualified at regional level and selected for second round that took place in Malaysia (Kuala Lumpur) where I competed with various international schools and also qualified for last round "Tournament of the Champions (TOC)" that round took place in America (New York) in University of YALE.

I also took part in internship program of WWF for nature conservation. I had also demonstrated a key role as Assistant Registration Director for hosting MUN in my school.

I also actively participated in university team projects and took the role of leader.

SKILLS

I am a very confident person with exceptional communication skills. I am fluent in English and I am passionate about learning other languages such as **Korean** and **Turkish**. I have demonstrated good leadership skills in various roles during my education. I am able to prioritize different tasks as I am good at time management and also I like to think outside the box and bring out the creative side of me. I am able to perform well in under pressure scenarios. Furthermore, being a part of today's generation gives me the advantage of knowing social media a little more than others as I myself use social media on a daily basis and possess requisite knowledge for achieving positive objectives through it.

INTERESTS

I do enjoy reading and writing, adding more to this, I am passionate about daily exercising although I am not fitness fanatic.
