Professional Experience

❖ *Pak Libya Holding Company Private Limited (2017-Present)*

Assistant Manager (Corporate & Investment Banking Division)

Key responsibilities included business development including project appraisals, financial modeling and preparation of financial feasibility and risk assessment of existing and potential clients. Furthermore;

- Analyzing current and past financial data and identifying trends
- Preparing reports on financial information and communicating insights of these reports to the wider business.
- Developing functional financial models and planning financial forecasts.
- Performing equity research and preparation of presentation for corporate finance department.
- Risk assessment of existing and new projects.

❖ *The Coca-Cola Export Corporation – Lahore, Pakistan (2017)*

Internship in Finance Function of The Coca-Cola Export Corporation (TCCEC), Pakistan where I worked in Accounts, Finance and Tax department of the company and effectively participated in routine department activities.

❖ *Muhammad Ayub & Co. Chartered Accountants (2014-2017)*

Worked in the fields of accounting, auditing and taxation performing a wide range of tasks, including preparation of tax documents and other financial reports, in the areas of regulatory compliance and maintenance of documentation and records. Performed audit, review, and agreed-upon-procedure engagements for a wide range of entities. Furthermore;

- Planned and conducted full scope external audits and review engagements of standalone and consolidated financial statements in accordance with International Financial Reporting Standards (IFRS), International Auditing Standards (ISAs), prevailing taxation laws & regulations.
- Prepared management letter for the clients highlighting weaknesses in controls, its implications and recommendations.
- Reviewed organizational cash flow forecast and business plans to evaluate the going concern assumption.
- Conducted assessment of clients' business and internal control risks; planned audits on the basis of assessed risk level and available human and time resources.
- Attended the Audit Committee and BOD Meetings along with partner and managers for review of Financial Audits and discussion of audit issues.
